

The Club at Longview has employment opportunities working on the golf course. We are located at 361 Weddington Church Rd in Weddington, NC. Below I have provided a job description and interested parties should contact Barry Rewis Golf Course Superintendent at 704-443-2535 ext 102 to set up an appointment to fill out a job application.

Compensation will be dependent on experience and benefits are included after 90 days of employment.

Job Title: Groundskeeper/Laborer

Groundskeepers, under the supervision of the assistant superintendent or foreman, perform routine manual labor involved in golf course maintenance; do semi-skilled grounds construction and maintenance work; operate small hand-powered equipment; and occasionally perform work involving large equipment such as tractors, loaders and gang mowers. Each groundskeeper may be assigned responsibility for the care and maintenance of several designated holes on the golf course and does related work as required.

Typical functions:

- Operates mowers and string trimmers in trimming greens, aprons, tees, around trees, fence lines, banks and hillsides; edges cart paths; edges, rakes and maintains sand bunkers.
- Sets tee markers and cups on greens daily; maintains ball washers; replaces tee towels and flags when needed; removes debris; sands and seeds tee and drop area divots; and cleans flower beds.
- Maintains fuel and fluid levels for all types of equipment on a daily basis; reports equipment problems or failure to the equipment manager immediately.
- Returns all equipment to the designated location at the maintenance facility; and cleans the maintenance areas.
- Waters and fertilizes tees, greens and fairways, and under direct supervision of a certified applicator, sprays chemicals on landscaped areas.
- Helps in project work; assists in the construction of new greens, tees and fairways; grades and prepares soil base; lays sod; and seeds tees, greens and fairways.
- Excavates and backfills ditches and trenches with hand tools; repairs and replaces pipe on irrigation systems
- May be asked to operate mowers, dump trucks or other light equipment.
- Performs other duties as directed by his/her supervisor.

Employment standards:

- Knowledge methods and materials used in grounds and landscape area construction/maintenance work.
- Working knowledge of and ability to use hand and power tools and equipment.
- Ability to operate trucks and light motorized equipment.
- Physical strength, stamina and agility.
- Ability to follow oral and written directions.
- Possession of a valid driver's license.

For more information concerning the job and how you can go about completing an application please call Barry Rewis at 704-443-2535 ext. 102
